

Conference | 26th - 27th February 2015

Anne Amuzu, CEO, Nandimobile

Anne Amuzu is the CEO and cofounder of Nandimobile, a company that seeks to make relevant information from businesses and organizations easily accessible on mobile phones. In 2011, judges at the maiden Launch Conference in San Francisco described Gripeline, an SMS customer support tool developed by Nandimobile, as a solution to a world-wide problem and awarded it the Best Business Award. Anne is a graduate of Meltwater Entrepreneurial School of Technology and holds a BSc in Computer Engineering from Kwame Nkrumah University of Science and Technology in Ghana. She is a mentee of Fortune/State Department Global Women's Mentoring Partnership and enjoys empowering young women through mentorship.

Presentation

Title: Embracing technology taking your business online
